

Drug Take Back Day

Saturday, April 24 outside Mason Police Department at 38 Darling Hill Road from 10 am until 2 pm.

Save a teenager and our precious water supply by eliminating outdated or unused pills. NO questions asked! Medicine may be in original containers, or bags or boxes as YOU drop it into a box in front of the station. At 2:00 an officer will seal it for delivery to a central collection point for incineration by the Drug Enforcement Agency.

Sponsored by Mason's Police Department and Conservation Commission, and DEA. Questions? Contact Mason Police at 603.878.1111 or info@masonpolice.org.
