Dear Parents,

This year the Mason Elementary School Student Handbook for the 2022-2023 school year can once again be found on our school’s website: <http://mason.sau89.org>. If you would like a copy, please send in a request and it will be printed out and sent home. We will only send out 1 per family.

We ask that you read and discuss this handbook with your child so everyone will have a better understanding of our school and our policies.

Please sign and have your child return the attached form to his/her teacher by Friday, September 23, 2022.

If you have any questions regarding the handbook you may call 878-2962, where someone will be able to help you.

Thank you,

Mason School District
