The District's instructional program will comply with the rules of the NH Department of Education and all applicable state statutes and federal law.

Instruction will be focused on meeting the instructional needs of students with different talents, interests, and development.

The instructional program will include:

1. Procedures for diagnosing student needs
2. Methods and strategies for teaching that incorporate student needs
3. Resource-based learning opportunities
4. Techniques for evaluating student outcomes
5. The provision of remedial instruction as needed

Instruction will also include, where possible, consideration of all available community resources, including but not limited to organizations, businesses, talented individuals, natural resources, and technology to engage each student in achieving the necessary skill and knowledge.
