

JICA - STUDENT DRESS CODE

Category R

The Board recognizes that student individual dress is primarily a parental responsibility that should reflect concern for health and safety of students, staff and others. When the dress of an individual student constitutes a health problem, is unsuitable for school wear, is a danger to any person, or causes a substantial and material disruption or substantial disturbance, the principal shall take appropriate action to correct the situation.

For specific dress code, reference Student Handbook.

Students who violate this policy will be given an opportunity to correct the situation by either changing the clothing, removing the clothing (if appropriate), wearing it inside-out, or other means as determined by the principal so the student is in compliance with this policy. Students who repeatedly violate this policy may face more severe punishment, including detention, in-school suspension, or out-of-school suspension.
