

JLI - SAFETY PROGRAM

Category P

See also [EB](#)

The Superintendent will cause the formation of the Joint Loss Management Committee as required by RSA 281-A:64, III, and a Crisis Management Plan that conforms to the National Incident Command System.

The practice of safety shall also be considered a facet of the instructional plan of the District schools by incorporating educational programs in traffic and pedestrian safety, driver education, fire prevention, emergency procedures, and others, appropriately geared to students at different grade levels.

The principal shall be responsible for the supervision and implementation of a Safety Program. General areas of emphasis shall include, but not be limited to: in-service training; accident record keeping; plant inspection; driver and vehicle safety programs; fire prevention; catastrophe planning; and emergency procedures and traffic safety problems relevant to students and employees. The principal shall be responsible for developing student safety procedures to be used on school busses, school grounds (including playgrounds), during authorized school activities (such as field trips), within school building(s) (including classrooms and laboratories), off school grounds during school sanctioned activities (including, but not limited to, work-based learning and internships), and in the use of online resources. The safety plan will be on file in each district building and in the SAU office.

The Safety Program and this policy shall be reviewed annually prior to the start of the school year.
