

# **Mason School Club Meeting Minutes**

**Tuesday, October 13, 2020**

**Attendance:** Heather Sabotka, Diane Foote, Ashley Brampton, Kate Spear, Kate Norman, Melissa Zeimeicki

**DUE TO COVID:** There have been no meetings since March 2020.

We will also not print a Community Calendar out of an abundance of caution for health and safety reasons.

## **Treasury Reports:**

Treasury reports are attached for easy viewing.

[March Treasury Report](#), [April Treasury Report](#), [May-Sept 2020 Treasury Report](#)

## **Fundraising:**

If you purchased Movie tickets to Chunky\$ through the Movie ticket Fundraiser last year, they will be honored through December of 2020.

We are confident that there is no need for fundraising at this time. Due to the restrictions with COVID we will not be adding any risks of exposure through fundraising.

## **Christmas Fair:**

We are in the preliminary stages of figuring out this year's Christmas fair. We want to make it safe for everyone while reducing risk of exposure.

## **Teacher Appreciation:**

We were not able to do our usual week of appreciation for our teachers and staff at Mason Elementary. We were able to provide lunch from Chic-Fil-A on Wednesday, September 23, 2020 and on Wednesday, September 30, 2020 we provided sweet treats for them. In lieu of us not being able to provide a full week we have opted to designate one Wednesday a month for the foreseeable future as our teacher and staff appreciation day. We will be providing food, sweets, or treats to show how much we appreciate all of their hard work!

## **Bake Sale:**

We discussed possibly continuing our bake sales at different events throughout the year. With COVID restrictions in mind these will be limited.
