

3/15/2020 - 5pm

Dear Families,

Here is a tentative schedule for the next three weeks for students in Kindergarten - 5th grade.

Preschool students just keep playing and reading. Mrs. Terrill will send you some ideas on what you can do with preschool students but there will be no formal assignments for them so you do not need to come to the school to pick up Blizzard Bags. We will also adjust tuition once we know when we are able to return to school.

This is subject to change as we learn more about this virus and how it impacts our school.

**PLEASE** continue to call the school if your child has any signs of illness over the next three weeks. We need to be aware of what illnesses are going around so we have the best information when making decisions on school reopening.

**Monday, March 16th and Tuesday, March 17th**

No School for students

**Wednesday, March 18th**

Blizzard Bag pick up at the school between 9-1 for K-5th grade students. Please pull up front and we will bring Blizzard Bags out to your car.

If you cannot make it to the school during these hours please email [kkivela@sau89.org](mailto:kkivela@sau89.org) to make other arrangements. We are happy to deliver the work to your house or find other times that will work better for you.

**Thursday, March 19th - Tuesday, March 24th**

Blizzard Bag Days - please have your child do their Blizzard Bag work. Teachers will be accessible by email from 9-1 - you can also call the school with questions.

**Wednesday, March 25th**
