**Monday, August 2nd through Friday, October 29th, 2021.**

The NHDOE has partnered with Panorama Education to collect responses and analyze the results. Your participation in this survey is voluntary and your responses to this survey will be kept confidential.

# New Hampshire Department of Education Post Graduate Survey

---

Panorama Education helps **school districts across the country use data to support each student's needs**, and helps leaders build great schools through their data insights.

The NHDOE has partnered with Panorama Education to collect responses and analyze the results. Your participation in this survey is voluntary and your responses to this survey will be kept confidential. All New Hampshire students with an IEP during the 2019-2020 school year and who exited the school system as of June 30, 2020 are eligible to take the post school outcome survey.

Through your survey responses, the Department of Education will be able to measure, understand, and act on survey data across the state. Panorama's research-backed survey instruments has been customized to fit the goals and priorities of New Hampshire's Department of Education so that your voices can be heard.

Thank you in advance for taking the time to complete this survey.
