

Mason School District

School Administrative Unit #89
13 Darling Hill Rd. Mason, NH 03048
Phone: (603) 878-2962 Fax: (603) 878-3439

Dear parents,

8/25/20

I hope this letter finds you in good health, and ready to return to school. It is certainly unprecedented times in health offices and schools nationwide for sure! Now more than ever, I ask that you ensure the Health History forms, Immunization forms, and Physical exams dated one year from the first day of school, are returned to the health office as soon as possible. Knowing your child's baseline will indeed help me make better decisions for them as the year progresses. We are living history in the making, and it sounds surreal that we are living in a pandemic! We are all in this together, so we must all do what we can to keep us together!

The Mason School District has been working diligently on preparing the school in order to keep all the students and staff as safe as possible. I am looking forward to reconnecting with the students and helping them stay healthy and ready to learn. The Centers for Disease Control and the State Department of Health have given us lots of guidance on how we can help achieve this goal. I will be doing my best to continue to advocate for mitigating the spread of all illness, and working with the students and families to ensure a safe and healthy school year.

To help protect **all** the students, we ask that you be extra mindful **not** to send your student to school even with *mild illness*. Please see the attached reminder screening tool derived from the CDC recommendations to use every day before sending your child to school.

If you have any questions, please call any time during the school day.

For a Healthy School,

Danielle Carrier RN, School Nurse
