To the Mason School Club,

At the last School Board meeting I recognized the School Club on their untiring and tremendous support of the children of Mason. You are indeed the heart of our success and there is not enough praise that can be given to you. As I stated to the Board, in my many years of Administration, have never been associated with such a supportive and caring group of parents.

On behalf of the staff and students, we thank you. You make Mason Elementary School a better place.
