

String Band Celebration

June 5, 2019 at 4:00 PM

Dear Families of String Band players,

We hope you can come celebrate all that your students have learned this past year. Come hear why string players like to play together! (Answer: because they sound better that way!) We will play our favorite pieces for you, and there is talk of snacks afterwards.

A representative from Music and Arts will also be on hand to answer any questions you may have about rental arrangements. Because the rental program is a rent-to-buy program, if you are renting, you may want to continue renting over the summer to continue building that credit, rather than start over from scratch to rent in the fall.

Next year, we will continue building our skills, with new pieces that challenge students and also provide easier parts for those who are not yet ready for such a challenge. (That is another reason why string players like to play together – some play the harder parts and some play the easier parts, and it all sounds great together.)

Deborah Prince Smith, Music Teacher
