Bureau of Special Education Support FY'25 Memo #23

Date: April 10, 2025

To: Administrators of Special Education
From: Bureau of Special Education Support
RE: Indicator 8: Parent Involvement Survey Release

The Bureau of Special Education Support (BSES) is releasing the 2025 "Indicator 8: Parent Involvement" survey to all districts. This survey will be distributed to all parents/guardians of students with disabilities receiving special education services from age 3 to 21 inclusive. Parents or guardians includes educational surrogate parents, preschool parents, and parents of children enrolled in out-of-district placements and chartered public schools.

The survey must be distributed by the district of liability (District) to all parents/guardians of students with disabilities receiving special education services from age 3 to 21 inclusive. The survey link will open **April 11, 2025**, and will remain open until **May 23, 2025**. **All districts should distribute the survey to families no later than May 9th.**

The District is responsible for establishing a process to distribute the survey link. To help market the survey, BSES is providing an email template, a meeting room handout, a social media graphic, and a wall flyer. These items are both in English and Spanish and can be used by Districts for distribution to families. Please be sure to review the attached presentation to learn more about the Indicator 8 process.

The survey link and QR code can be found at the bottom of this memo.

For questions related to the Indicator 8 process, please reach out to Janel LeBlanc at Janel.C.LeBlanc@doe.nh.gov.
