

9/19/22

The Scholastic “Camp Read S’More” Book Fair was a **sweet success!** *Mason really is a great place to get lost in a good book!* The students get so excited and love the experience of the fair!

Together, we sold over \$3,678 in books!!! **All** profits will go toward educational supplies for the students! Every teacher also received many books for their classrooms thanks to your generosity, kindness and support!

All our raffles were also a success! The winners have been contacted, and prizes delivered. A HUGE thank you to all who participated!

**\*\*A very special thanks** goes to several of you who pitched in to help with setting up, running and breaking down the fair. It takes a village to manage this type of family event! Thank you to: The Iannuzzo family, the Pugliese family, Brenda Wiley, the Ringer family, Fred Greenwood, The Mason School Club and all the staff who gave us props and decorations on loan. Most of all **THANK YOU**, to our dedicated families for participating! How rewarding it is to see ALL of us coming together to promote literacy to our students!

We look forward to another book fair next year! Until then, Happy Reading!

Sincerely,

Nurse Carrier
