Dear Parents,

This year the Mason Elementary School Student Handbook for the 2025-2026 school year can once again be found on our school's website: <http://mason.sau89.org>. If you would like a copy, please send in a request and it will be printed out and sent home. We will only send out 1 per family.

We ask that you read and discuss this handbook with your child so everyone will have a better understanding of our school and our policies.

If you have any questions regarding the handbook you may call (603) 878-2962, where someone will be able to help you.

Thank you,  
Mason School District
