NEWS

Teacher Appreciation Week

This year we celebrated the teachers with a Friends themed fun filled week. We provided lunch from Chrysanthi's and Chick-Fil-A. We also treated staff with chair massages from Mobile Massage from Hillsborough County and ice cream from the Inside Scoop. Staff also got to enjoy a breakfast buffet and a supply buffet to stock up on classroom supplies!

Family Night Out

We raised over \$800 partnering with The Alamo, Sundae Drive, Charlie's Auto and Hick'ry Wood Fired Pizza. Thank you for your continued support!

End of Year

We were able to bring Mount Washington Observatory to the classrooms for a two day educational program to learn about weather and the climate. We also created a yearbook for the school year and gifting the 5th graders their very own copy. We are looking forward to Spirit Week and providing frozen treats, popcorn and Bingo prizes for the students!

IN THE WORKS

We have some fun and exciting things that we will be working on this summer and into the next school year. The playground will be getting a renovation! We hope to add natural features for climbing, balancing, and playing.

Students will vote on their favorite addition to the playground on the Day of Play. We look forward to a fun playground transformation and cleanup.

If you would like to volunteer manpower or supplies please reach out via email.

END OF YEAR SURVEY

We would love to hear from YOU. Please go to the website below or scan the QR code.
