## Nurse Notes

3/10/23

Dear Families,

On Thursday April 6<sup>th</sup>, we will be hosting the Souhegan Lion's Club as they make their return to do vision screenings with the kids. I will be present and facilitating their visit. Please see the attached forms for your convenience. Hard copy forms for your signature are also being sent home in the backpacks as well. *Please return the signed consents before 3/31/23 so I can get everyone on the schedule.*

Our pile up of sweatshirts and clothing unclaimed here at the school is surmounting. We will leave the lost and found items in the hall during voting so you can hopefully reclaim a missing item. Sometimes you don't know what you may be missing until you see it! Speaking of clothing, *please remember to pack a spare change of clothing in your child's backpacks.* Accidents and spills happen to all children and it's always better to have your own backups!

We have noted a high incidence of GI illness with nausea, vomiting, and or diarrhea here this week after vacation. Please remember that these type of illnesses are not effectively eradicated with hand sanitizer, and good hand washing hygiene is the standard to stopping the spread!

As a staple, we still ask that students with a fever, vomiting or significant coughs or sneezes to stay home when ill. They may return 24 hours after they are symptom free without the use of fever reducing medications. We will continue to follow State of NH and DOE guidelines for sickness in schools.

Be Well,

Danielle Carrier RN
